OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit complaining that defendants subjected him to excessive force, including the use of mace, and did not provide him an opportunity for proper decontamination from the mace for over 24 hours. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice. There are no objections to the recommendation. After an independent and de novo review of the record, the

court concludes that the magistrate judge's
recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 11th day of October, 2018.
